Food items are by far the most popular requests . Canteens hold 1 quart. If you send a 2 quart mix such as Crystal Light, you might want to send a jug too! **No pork or pork products, alcohol, pornography, or glass containers** .No chocolate after May or before September. With temperatures reaching into the 130's and beyond, the chocolate wouldn't make it very far! Don't forget plastic silverware with food items. Put liquids and scented items in Zip Lock bags just in case!
